Travel and accommodation

You are responsible for your own travel and accommodation arrangements. However, please let me know should you need assistance.

Here is a list of accommodation options that are very close to BehaviVet. I have not stayed at any of these, so please contact them and look at their websites to ensure they fulfil your personal needs. There are two shopping centres within 6km (Oakfields shopping centre) and 8km (Northmead Square) away where you could have dinner (Spur, Wimpy, Ocean Basket, Nino's) and shop (Pick and Pay, Checkers) should you need anything. I can give you directions to these once you are here.
